In these days of rush and hurry
courtesy is often forgotten. In the
mad, pell mell rush of our life little
things are done to offend that we
rather remained undone. A hastily
eaten meal and its resultant head-
ache may cause us social or financial
loss. The wise man or woman is the
one who relieves little ills of this
sort by a little dose of Kodol for
Dyspepsia. It digests what you eat.

MADE DEAF HEAR IN THREE MINUTES

Astonishing Demonstration is
Given By Cooper.

Young Man in St. Louis Gives Sam-
ple of Work Which Aroused
the East Last Year.

PROMISES TO DO STILL MORE

St. Louis, Sept. 26.—On Wednes-
day afternoon some remarkable de-
monstrations were given in public
by T. L. Cooper, or the "Great
Cooper," as he is called, who is in-
troducing for the first time in St.
Louis the preparations which created
a sensation in eastern cities.

The demonstrations took place at
Mr. Cooper's headquarters and were
witnessed by several hundred peo-
ple. As nearly as could be learned
the facts were these:

At 3 o'clock in the afternoon the
young man agreed to show what one
of his remedies would do for deaf-
ness, and agreed to make any one
present who was afflicted with deaf-
ness hear again in less than three
minutes.

There were many deaf people pre-
sent and about a dozen of these were
given the demonstration of one of
a single application of one of the
Cooper preparations.

The hearing of these people was
then tested after an interval of be-
tween two and three minutes. The
test consisted of questions put to
them in an ordinary conversational
tone at distances varying from five
to thirty feet.

The results were remarkable in
the extreme. Some of these people
who were treated had been deaf for
a number of years. When the first
question was asked a look of amazement
would spread over their faces
and they would forget to answer the
question. As the questions were re-
peated the surprised look would give
way to one of delight. Many were so
affected that they burst into tears
and were scarcely able to answer the
question.

In no single instance, so far as
could be learned would an individ-
ual fail to hear. Many were able to
hear a finger snap at a distance of
thirty feet. At the request of Mr.
Cooper questions were put to them
by their friends or by various spec-
tators in an ordinary tone of voice
and the questions were readily an-
swered.

In giving an account of these de-
monstrations, Mr. Cooper said:

"The preparation used is not the
one with which I accomplished most
as my New Discovery, as it is called,
and to which I owe my success is
for the treatment of all forms of
stomach trouble and the general
breaking down of the system that
follows in the wake of diseases of
this character.

"The stomach is the seat of a
great many troubles, for instance, my
remedy will relieve thousands of
people of rheumatism in this city,
simply by getting the stomach in
working order."

Many people seen who were present
at this demonstration assert posi-
tively that Cooper undoubtedly
made these deaf people hear again.

When two strong men come to
blows, even if they are well-matched,
it is not a pleasing sight, but if the
man who gets the worst of it will
use DeWitt's Witch Hazel Salve, he
will look better and feel better in
short order. Be sure you get De-
Witt's. Good for everything a salve
is used for, including piles. Sold by
